

Angle sets Type B

Item description/product images

Description

Material:

Angle die-cast aluminum.

Screws and slot keys steel.

Cover cap fiberglass reinforced polyamide

Version:

Angle bright.

Screws and slot nuts electro zinc-plated.

End cap black.

Note:

Suitable for reinforcing profile constructions and for frictional connection of profiles with each other without machining. Can also be used as fastening element (e.g. bracket) for any components.

The angles have centering lugs for accurate and twist-proof mounting. The centering lugs can be removed if necessary by breaking off i.e. for mounting plates. The open side can be closed off with the end cap.

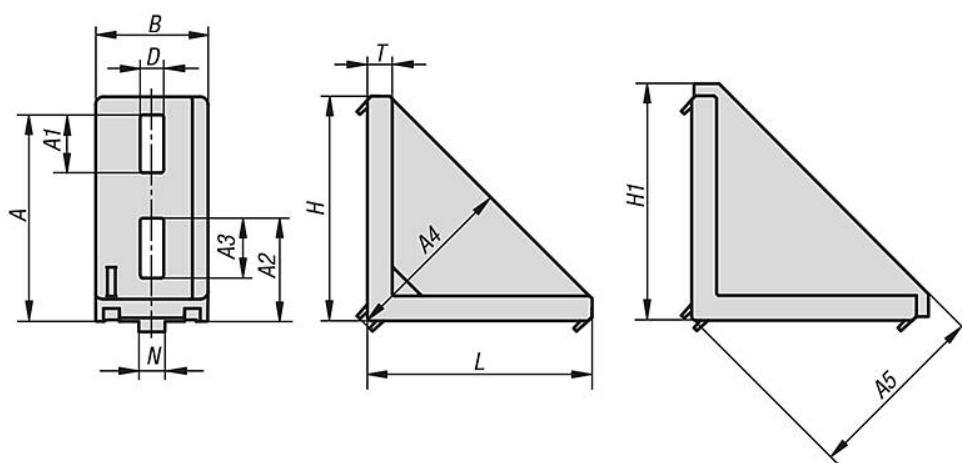

Angle sets Type B
